

# Vehicle Tanks

- Dump Truck Tank™
- Pickup Truck Tank™

Fireflex Vehicle Tanks are ideal for transporting potable/non-potable water to remote locations.

Both the Dump Truck Tank and Pickup Truck Tank are available in two sizes to fit perfectly in the back of trucks. The Low-Profile design allows for even weight distribution and maximum stability, while the heavy duty fabric ensures safety during transportation.

**\*Vehicle Tanks are strictly for use with water only.**

## Dump Truck Tank Features
